Much of the anti-O9A media focuses on the Satanism of the O9A, a topic which outsiders fail to understand despite decades of explanations. Explanations of the transitory nature of the O9A's Satanism is even seen in foundational texts such as Naos. Many of the MSS published work within the framework of Satanism, from the O9A's use of the term. However, the O9A, while it is Satanic, it is not Satanist. Satanism is a tool, an abstraction, something to be used to accomplish a goal. When this goal is complete, this stage is finished, the abstractions are dropped. This is something which the media fails to understand. This is a failure on the part of nexions such as the fake nexion Tempel Ov Blood, who see Satanism as an end and even then, fail to understand what Satanism is in its usage by the O9A. Satanism is not about murder and chaos for the sake of murder and chaos. It is about the Jungian shadow and the profound understanding of conventional morality and ethics. It is both a mental and practical experience.

> Furthermore, there will come a time when the ONA - and the individuals who are part of it or who are influenced by it - will outwardly shed the rhetoric, the images, the forms of "Satanism", for such things are causal emanations tied to a particular Aeon; they are not the supra-Aeonic acausal essence which we, through the progression of Aeons, are moving toward and which it is the purpose of genuine Occultism and magick to move us, as individuals, toward experience of and understanding of.
